

**NWEA MAP Parent Refusal Form**  
2020-2021

At Woodbury Leadership Academy, we are committed to providing our students with personalized learning experiences. To best achieve this, we regularly assess students' growth. Various classroom and standardized assessments aid teachers in providing for individual instructional needs and identifying trends. We strive to consider the whole picture when serving our students. Having multiple types of assessments helps provide a fuller picture of each student's needs.

Woodbury Leadership Academy administers two sets of large-scale standardized assessments: the Minnesota State Accountability (MCA) tests and the NWEA MAP tests. We highly encourage you to read more about what each assessment provides for your student(s).

Parents and guardians do have the right to request their student(s) not participate in a scheduled assessment. If you wish your child not to take NWEA MAP, please make sure you understand the role of the assessment and complete the form below.
