Institution Description

Woodbury Leadership Academy is a Core Knowledge chartered public school that opened in 2014. It is located in Woodbury, Minnesota and serves approximately 300 students in grades K-7 with a staff of 25 teachers and 3 specialists. The vision of WLA is to be a sustainable K-8 public school where learning empowers students to be future leaders and global citizens. The mission of WLA is to empower dedicated staff to deliver academically rigorous curriculum to students and to prepare them with exceptional leadership skills.
