Drawing Classes for kids

at

WOODBURY LEADERSHIP ACADEMY

Our bountiful selection of drawings introduces our students to a fascinating world of color, pattern, and design. Keeping with the season, our students will create fall-themed illustrations like taffy apples and a farmer's scarecrow. Stylized art styles will be explored through our tarantula line art and Van Gogh-inspired drawing featuring vibrant sunflowers. All this and more await your child in a Young Rembrandts classroom! **Sign up today!**

The Messiest Art Class Ever! (5-11 years)

Does your young artist love to get messy? So do we! We'll paint with plaster, sculpt with gooey gunk, make papier mache dragonflies and fling paint like Jackson Pollock. We will even learn some art terms along the way. These are not projects to tackle at home-leave the mess with us. Making a mess is the best!

Program is designed to introduce personal self-defense to children. Students will learn basic skills for practical self-defense in addition to developing strength, flexibility, and coordination. Our self-defense course will improve awareness, confidence, and determination with innovative teaching techniques and skill-building exercises developed by National Karate's Master Instructors. Program emphasizes responsible use of skills learned, as well maintaining composure in stressful situations.

National Karate Academy of Martial Arts has been training students to achieve excellence since 1973. Grandmasters and 10th Degree Black Belts, John Worley and Larry Carnahan have inspired thousands of students and established one of the top martial arts schools in the world.

Schoolhouse Chess - Pages Level {Beginner}

Learning chess helps you develop self-confidence, critical thinking and creative problem-solving skills. This 12-week class for beginners covers material from the Beginning "Pages" level and then moves into the intermediate "Squires" level of Schoolhouse Chess. Start out with learning how pieces move and capture, check and checkmate, castling and material value. After completing the Pages lessons, we'll move on to some of the Intermediate "Squires" level concepts such as how to use your pieces as a team, control the center of the board, chess notation and tactics such as attacking the "f" pawn, en passant, forks, pins and swarming.

Thursdays September 18 to December 4, 2018

Cost: \$138
