

Additional Questions / Comments

- Why is there not a “no new debt” option within the facility options?
- What percent of MSAs student population is comprised of former WLA students? Separately, how many WLA students applied to MSA middle school last year, but were waitlisted and did not get in?
- What is WLA’s contingency plan if a merger does not happen...when would WLA add 9th grade?
- What is the waitlist per grade at MSA?
- Need to create a timeline with key dates / milestones (ex. straw man plan from administration on school organization / operations)
- Need to provide a definitive statement on bussing; what will 833 and 622 provide and under what stipulations?
- What is MSAs standing with their authorizer? Is MSAs authorizer equipped / capable of managing a combined MSA/WLA organization?
- Has each school had a direct conversation with their majority bondholder(s) and do we have their consent approval, or indication they will approve?

Non-Negotiables

- K-8 needs to be at the current WLA facility
- No current or pending litigation
- The leadership curriculum within WLA is maintained and expanded
- K-5 remains core knowledge – Strategic goal of becoming Core Knowledge School of Distinction is maintained
- K-8 remains in uniform (ex. K-5 in current WLA style uniform and modified 6-8 uniform)
- Solid administrative integration plan that incorporates voices from both entities (need to understand key administrator roles & responsibilities)
